

# AU COEUR DU VIN

## Programme personnalisé *personalized program*

### **Organize your taylor made wine tour**

With my help and my experience, create your own program (wine tour and/or wine tasting).

You choose the timing (from 3 hours to several days...), the vineyard(s) (Chablis, Auxerre, Epineuil...), and also the style of wines you wish to discover (organic, traditional... big or small domains).

Lunch included or not...

Don't hesitate to give me all your wishes!
